School Beliefs & Doctrine

HEW School of Ministry is Non-Denominational with a Pentecostal emphasis. We believe in the Father, Son and Holy Spirit. And we believe that we are called to operate in the gifts of the Holy Spirit, with The Word of Prophecy, Speaking in tongues, The Gift of interpreting tongues, The Word of Wisdom, The Word of Knowledge, The Working of Miracles, The Discerning of Spirits, The Gift of Faith. We believe that if God has called you to ministry that your gifts will bare witness for you and that God will use you and you allow him to do so. **HEW School of Ministry's** goal is to build up, to equip women in their calling and to help them flow and allow them to Go in to all the world to do the greater works that Jesus Christ commanded us to do. Mark 15:16. Although the schools primary focus is to equipped women, we do have workshops and exclusively designed trainings for Men in Leadership that want to gain **HEW School of Ministry** knowledge to strengthen their leaders or ministries.

Some classes are gender specific, due to the nature of the information and sensitivity needed in that class environment. The Ministry/Business Leadership model has a pre-requisite for men to be able to sit for the course, they must be Senior Leadership in their ministry or present a reference letter from their Bishop, Pastor or Apostle.
